4. Warranty Claim Procedures

1. Return to an authorized Silicon Power dealer or distributor from which you purchased the Silicon Power product. Please confirm the terms of your dealer's or distributors return policies prior to returning the product.
2. Returning directly to the Silicon Power service centre: Obtain a Return Merchandise Authorization (RMA) number through Silicon Power's website, and follow the product return procedures.

5. Repair Charges

Within Warranty Period

Should the product fail under normal use in the recommended environment due to improper workmanship or materials, Silicon Power will repair the Product or replace it with a comparable one without any charge for parts and labor. Please note that the limited warranty does not cover any defect products be caused by any of the mentioned factors listed above (ex. misuse, neglect, abuse, beyond warranty period outside warranty etc.)

6. Remarks

- (1) Silicon Power is not responsible for damage to or loss of any programs, data or removable storage media. It is highly recommended to save (back up) any programs, data or removable storage media.
- (2) Silicon Power's RMA return policy is based on stock availability; hence the repaired product that you receive might not be the one you have originally sent.
- (3) Due to the ongoing technology, in case of the discontinuity of any product, Silicon Power will be unable to repair the product, and therefore replace the product with a comparable one.

For our warranty policy, please refer to Silicon Power Official website.
