

Memory is personal

Power for
Everyone

Simple but Simply Good

No bells and whistles, just power, safety, and quality for budget-conscious users. And it comes in four different capacities for flexibility and choice.

Not Two for One but One for Two

Dual USB output ports allow users to charge two devices at once while the LED lights show the power bank's charging status or how much capacity is left on it.

Power Bank S50/S100/S150/S200

5,000mAh | 10,000mAh | 15,000mAh | 20,000mAh

Features

- A budget power bank for everyone and every need
- Dual output for simultaneous charging of two devices
- LED light charging indication
- Multi level protection for safest use including Over-Current Protection, Under-Voltage Protection, Over-Voltage Protection and Short-Circuit Protection
- High quality Li-polymer battery
- Up to 2 million USD product liability insurance
- Fully charges 1.5 (S50) / 3.5 (S100) / 5 (S150) / 6.5 (S200) smartphones

Specifications

- Capacity: S50: 5,000mAh / S100: 10,000mAh / S150: 15,000mAh / S200: 20,000mAh
- Dimension: 119x66x12mm / 123x71x19mm / 140x72x20mm / 160x80x20mm
- Weight: 125g / 220g / 330g / 430g
- Battery: Li-Polymer
- Color: Black/White
- Input: DC 5V/2A
- Output: USB1: DC 5V/2.1A, USB2: DC 5V/1A, USB1+USB2: DC5V/2.1A
- Lifespan: > 500 charging cycles
- Charging time: 3/6/9/12 hours
- Protection: Over Voltage / Under Voltage / Over Current / Short Circuit
- Operating Temperature: 10°C - 45°C
- Certification: CE-FCC-UN38.3-MSDS
- Warranty: 13 months
