

MOVE WITH THE BEAT

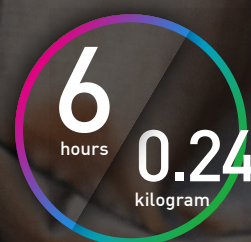

DURABLE ON-THE-GO AUDIO

The BS71 is designed to be as mobile as you, so you can enjoy your favorite tunes in even more places. With IPX8 waterproof certification and a durable silicone casing, it's strong enough to withstand all of your outdoor activities. That makes it perfect for all sorts of mobile adventures, including hiking in the forest with the included carabiner hook, biking through the park with the included bike mount, and even in the bathroom shower with the included suction cup mount.

A COLORFUL, MOBILE SOUNDTRACK TO LIFE

Weighing in at just a mere 0.24 kilogram, the BS71 is convenient and easy to travel anywhere with you, while Bluetooth 4.2 connectivity allows you to enjoy wireless music freedom within a generous 10-meter connection range. Up to 6 hours of playtime per charge keeps the playlist going throughout your mobile adventures, while a circular LED ring with 4 alternating colors that flash to the beat is a neat feature for low-light activities.
