

Bring Music To Life

Don't Leave Your Music Behind

The BS70 is designed to be as mobile and social as you, so you can enjoy the music you love in even more places. With IPX8 waterproof certification and a durable silicone casing, it's strong enough to withstand all of your outdoor adventures. That makes it perfect for all kinds of social gatherings, including backyard barbecues, camping in the woods, picnics in the park, and poolside parties.

A Wireless Soundtrack To Life

Weighing in at just a mere 0.35 kilogram, the BS70 is small and light enough to tuck into your bag and travel with you. Bluetooth 4.2 connectivity allows you to bring the BS70 anywhere, so you can enjoy wireless music freedom within a generous 10-meter connection range. Up to 8 hours of playtime per charge keeps the playlist going all day long, powered by a 2,500mAh rechargeable battery.
