Matte surface treatment for more solid protection

Inheriting the streamline design from the Stream Series, SP Stream S03 provides solid protection, against finger-prints, stains and everyday wear and tear.

Features

- SuperSpeed USB 3.0 compliant and backwards compatible with USB 2.0
- Matte surface treatment resists fingerprints and scratches
- Power saving sleep mode
- LED indicates power on and data transfer activity
- New version of SP Widget free download software, providing 7 major back-up and security functions (256-bit AES file & folder encryption)

Page-fold design to treasure your memories

The new USB 3.0 portable hard drive – Stream S03, inspired by the concept of page folding as a way of keeping the precious and meaningful moments. S03's unique folding design emphasizes the idea of instilling more human touches into the storage device.

Combination of functionality and practicality

Located in the asymmetric page-fold corner, Stream S03's LED indicator is designed to help users distinguish the transfer interface of the host with ease. The blue LED indicates USB 3.0, whereas the red is for USB 2.0 which truly combines functionality and practicality.

Specifications

- Dimensions : 12.25 x 7.75 x 1.33 cm
- Weight : 145g
- Capacity : 500GB, 1TB
- Standard Compliance : USB 3.0 / 2.0
- Data Transfer Rates : Max. 5 Gb/s (USB 3.0 Mode)
Max. 480 Mb/s (USB 2.0 Mode)
- Power Supply : DC 5V (Power supplied through USB)
- Operating Temperature : 5°C ~ 55°C
- Storage Temperature : -40°C ~ 70°C
- Supported Operating Systems : Windows 8/7/Vista/XP/2000, Linux 2.6.31 or later, Mac OS 10.5 or later (only USB 2.0 currently supported)
- Color : Black 、 White
