

Impressively Tiny, Incredibly easy

Along with super-tiny drive body and eye-catching color choices, SP Touch T06 and Jewel J06 greatly minimize the dimensions and weights of the body to make themselves an extremely tiny drive for easy daily carrying.

Enlarged Groove Design

Touch T06 and Jewel J06 are equipped with delicate curved shape and enlarged groove design, which can fully realize the needs for simple operation and easy carrying.

Features

- Tiny and Trendy design
- Specialized shape design for easier operation
- Waterproof, vibration-proof and dustproof
- Plug in and use, no external power supply required
- SP Widget free download software, providing 7 major back-up and Secure functions
- Recuva File Recovery, allowing recovery of erased files, such as digital photos, documents, music and videos

Meticulously Crafted and Smooth Touch

Ergonomic shape is especially designed for better and simpler using and holding. Touch T06 and Jewel J06 are the perfect storage items for extraordinary taste and style. And the use of high-density plastic housing offers complete waterproof, vibration-proof and dustproof protections.
