

Palm-sized POWER

Tighter Design, Greater Potential

At roughly the same size as a credit card, the QP70 is our smallest 10,000mAh power bank yet. The rounded edges provide an ergonomic grip, fitting comfortably in the palm of a hand, while the metal casing gives it better durability and a lighter weight. With this ultra compact design, it's even easier to take it anywhere for a power boost.

(Saving) Time Is Of The Essence

Charge up to 2.5 times faster with 18W Power Delivery (PD) via Type-C and QC3.0 via USB Type-A. Plus, charge the power bank itself in only 3.5 hours compared to 6 hours on similar non-fast-charge-enabled models. This is thanks to the bi-directional Type-C port, which allows rapid input charging when connected to a quick charge PD power adapter.

PD Power Bank QP70

smart**SENSE**

smart**BOOST**

smart**FOCUS**

smart**SHIELD**

Features

- 10,000mAh capacity provides 2-4 full charge cycles on just about any smartphone
- Charge up to 2.5 times faster with 18W Power Delivery (PD) via Type-C and QC3.0 via USB Type-A*†
- 2 outputs (1 USB Type-A and 1 Type-C) charge up to 2 devices simultaneously
- Dual input (Micro-USB and Type-C) for more convenient charging options, plus rapid input charging via Type-C**
- With a simple touch, a dual-function button displays the battery level via a LED light indicator and acts as a "wake-up" power button for Apple iPhone and iPad devices
- Ultra compact design is both ergonomic and fits comfortably in the palm of a hand
- Metal casing imparts a sleek look along with greater durability
- Includes 1 USB Type-A to Type-C cable
- Includes a protective mesh pouch with a drawstring closure to keep the power bank safe while on-the-go
- smartSHIELD: Input High-Voltage Protection, Output High-Voltage Protection, Input Current Protection, Output Current Protection, Automatic Current Matching, Input Short-Circuit Protection, Output Short-Circuit Protection, Device Overcharge Protection, Reverse Charge Protection, Input Current Regulation, Static Resistance, and Fireproof Guard
- High quality Li-Polymer battery is safer, thinner, and provides a more effective charge
- Safe to fly with
- Up to 2 million USD product liability insurance

*Only one device may be connected to the power bank at a time in order for fast charging to be enabled

**For rapid input charging via the Type-C port, a quick charge PD power adapter and cable is required

†PD is supported by Android-based and iOS-based devices, while QC3.0 is only supported by Android-based devices (excluding some Huawei and OPPO models)

Specifications

- Capacity: 10,000mAh
- Dimensions: 87.5mm x 58.5mm x 21.0mm
- Weight: 199g ± 2g
- Battery Type: Li-Polymer
- Material: Metal + Plastic
- Color: Black, Royal Blue, Steel Grey, Crimson Red
- Input Power: Micro-USB: 5V==2A, 9V==2A; Type-C: 5V==2A, 9V==2A (PD)
- Output Power: USB (USB Type-A): 5V==2A, 9V==2A, 12V==1.5A; Type-C: 5V==2.5A, 9V==2A, 12V==1.5A; USB+Type-C: 5V==3A (max.)
- Available Interface (Input): Micro-USB, Type-C
- Available Interface (Output): USB Type-A (x1), Type-C (x1)
- Charging Time: 3.5 hours (PD)
- Protection: smartSHIELD
- Operating Temperature: 10°C - 45°C
- Certification: CE, FCC, RoHS 2.0, PSE, Li-ion 00, BSMI, WEEE, Un38.3, 1.2M, MSDS
- Warranty: 13 months, 24 months (EU)
